Summary

105,000 people reimagining medicine for nearly 750 million patients worldwide! As a PMO consultant at Novartis, that is the number of patients you may have an impact on.

The primary responsibility is to provide leadership to the Program team in projects and operational tasks. The position holder ensures full transparency of ongoing projects progress.

The role is responsible for program management & coordination within the Strategy department e.g. supporting work streams, providing project execution support and planning support. The role provides leadership to programs and large scale transformations by providing guidance, monitoring compliance with project milestones, risks and issues and reporting on program/project status, governance and frameworks at all levels of the program.

About the Role

Your responsibilities:

- Coordinate the team throughout all project management phases
- Manage communication with external and internal stakeholders (clients, sponsors, executives, etc.)
- Organize and participate in client meetings
- Collaborate with the sponsor
- Ensure compliance with client requirements and business needs
- Ensure customer satisfaction
- Bring together all company units to meet client demands
- Create a detailed project management plan and other project documents
- Guide incoming and outgoing project files and provide solutions to project-related issues
- Set the strategic direction of all projects, define the project's scope, Set milestones and deadlines
- Create budget and revenue estimates and manage project resources and their costs
- Assign, prioritize, and supervise project tasks (task management)
- Implement and manage changes; Identify, prevent, and manage risks
- Track project performance using appropriate KPIs, metrics, tools, and techniques

What you'll bring to the role:

- Bachelors in either a Science, Business, or Economics
- Certified in PMP or Agile/Scrum or PRINCE2 is required.
- Pharma industry experience is a plus but not required
- 6-10 years' experience in Project & Program Management and Change Management, collaborating across

different divisions and geographies

- Prioritizing and planning, analyzing business requirements, communicating with different customer groups, and managing senior stakeholders

You'll receive:

Monthly pension contribution matching your individual contribution up to 3% of your gross monthly base salary; Risk Life Insurance (full cost covered by Novartis); 5-week holiday per year; (1 week above the Labour Law requirement) ; 4 paid sick days within one calendar year in case of absence due to sickness without a medical sickness report; Cafeteria employee benefit program – choice of benefits from Benefit Plus CZ in the amount of 12,500 CZK per year; Meal vouchers in amount of 90 CZK for each working day (full tax covered by company); Public Transportation allowance; MultiSport Card. Why consider Novartis?

766 million lives were touched by Novartis medicines in 2021, and while we're proud of this, we know there is so much more we could do to help improve and extend people's lives.

We believe new insights, perspectives and ground-breaking solutions can be found at the intersection of medical science and digital innovation. That a diverse, equitable and inclusive environment inspires new ways of working.

We believe our potential can thrive and grow in an unbossed culture underpinned by integrity, curiosity, and flexibility. And we can reinvent what's possible, when we collaborate with courage to aggressively and ambitiously tackle the world's toughest medical challenges. Because the greatest risk in life, is the risk of never trying!
