Sep 23, 2024
Belgium

Summary

As MSL, you will lead scientific engagement with Medical Experts, implementing clinical and educational strategies and responding to unsolicited medical enquiries.

About the Role

Key responsibilities:

Your responsibilities include, but are not limited to:

- Engage with Medical Experts (MEs) to educate on medical/scientific information
- Ensure appropriate identification/mapping of MEs/ Key Accounts including identification of opportunities to involve MEs when a specific medical need is identified to provide support
- Develop and execute ME engagement plans to effectively prioritize and strategically engage MEs aligned with country strategy
- Inform and shape medical strategy by collecting impactful insights from MEs
- Support Novartis clinical research programs, optimize trial execution and provide scientific educational support to potential and actual study sites in collaboration with clinical operations.
- Serve as a medical resource to field matrix colleagues

Essential requirements:

- A previous experience in the role and/or the knowledge of the specific therapeutic area will be considered a plus
- Scientific background
- Fluent Level of French, Dutch & English

You'll receive:

You'll have countless opportunities to develop, whether it's up, across or outside your comfort zone. We offer you a challenging, international, interdisciplinary and enjoyable work environment. Investment in people is a priority for Novartis including your well-being. We offer a range of possibilities for personal development and career opportunities within a network of bright and curious minds. We offer you a competitive salary and benefit package. Novartis also supports a flexible work-life integration (working remotely, flexi-time schedules, ...). Your office will be based in Vilvoorde.

Why Novartis?

Improving the lives of people living with disease takes more than innovative science. It takes a focus on the needs of people and a community committed to meeting them. It takes a team of people like you. Working together. Learning together. Thriving together. As part of our around 1800 employees in Belgium and Luxembourg, you can be part of an amazing team changing people's lives. Together, we are reimagining medicine. Join us in extending and improving people's lives.
