About the Role

Key contributor to the Leadership of the related Franchise

- Critical member of the Related Franchise Management Team – helps to formulate strategies, guides investment, and implement actions that help the Franchise gain market share and increase profitability.
- Setting the tone for good financial practices within the related Franchise

2. Financial Planning

- Lead the Budget, Latest Estimation and Latest Outlook processes and discussions; integrate and coordinate financial processes with the Marketing planning processes for the relevant Franchise.
- Well thought-out and high-quality plans with transparency of assumptions and analyses of risks and opportunities
- Coordinated with all members of the BU management team (e.g., marketing, sales, medical)

- Also coordinated with the CPO (e.g., allocations, or on universal assumptions such as inflation rates)
- Attention to forecasting accuracy for both sales and expenses (monthly)
- Participation in the long-term planning of the business through the Strategic Planning process
- Work closely with the local Marketing, Sales, Medical and Market Access teams sharing responsibility of formulating business strategies, guide investment and resource allocation, monitoring commitment, implement actions, shared approval responsibility

3. Analysis/Reporting of Financial Performance

- Full ownership of and responsibility for all aspects of the related Franchise P&L.
- Analysis of Sales and Market Share (including trending of data) to provide related franchise management with insights into the business, early detection of risks/opportunities vs. plan, etc.
- Analysis and understanding of the commercial aspects of the business, e.g., discounts per channel, per customer and per brand. Benchmark selected key indicators with other Novartis businesses and/or other international companies
- Analysis and control of operational expenses, incl. analysis of variations to the authorized budgets / LEs.
- Headcount analysis and control
- Evaluation of the BU's Risks and Opportunities, including a latest outlook for the month/quarter/year; also identification and implementation of gap closing actions.
- Communication of unexpected events affecting performance, or impacting key assumptions, in a transparent and timely manner.
- Preparation of regular, comprehensive performance reports (including Business Review documents and monthly Executive Summary Reports) to the Regional Office on timely basis

4. Analysis of Business Proposals/investments.

- Financial evaluation of business proposals or projects (e.g., Field Force expansion, launching of a new product or indication).
- Financial evaluation of Marketing investments and allocation of funds among potential projects to maximize return. Use of appropriate analytical tools as necessary.
- Ad hoc analyses as may be necessary

5. Management Cash Flow

- Budget, Latest Estimation and Latest Outlook processes and discussions
- Explain MCF variances, opportunities and challenges through budget and financial forecasts for use in Global and Regional.
- Application of general Balance Sheet and Cash Flow knowledge in support of the business

6. Strategic Planning

Prepare for Pharma portfolio by managing the sensitivity of the external relationships including government and distributors where the market has a number of healthcare, and funding systems and the pricing for these new models will have a significant positive/negative implication on the Gulf (GCC) countries.

7. Other

- Assist with audits where required, and where follow-up is needed ensure compliance with / implementation of the agreed-to action plans.
- Coach, guide and mentor BPA associate within the country, including upscaling capabilities.
- Collaborate with Internal Audit and FCCR team to ensure consistent financial data reporting processes

and results.

- In the absence of the FRA team in the country, BPA manager played major role to ensure all the monthly reporting are meeting local expectations.
- Support FRA team in the monthly cross charge for Novartis AG (NCC changes).
- Support the FRA team in the monthly closing.
