

Transformation Associate Director

Job ID
REQ-10025139
Nov 01, 2024
Switzerland

Summary

As Transformation Associate Director at Novartis your main responsibility will be to support and drive strategic business projects for Global Clinical Operations (GCO) with the aim of maximizing economic value and securing future competitive advantage.

#LI-Hybrid

About the Role

Your responsibilities and activities will include:

- Plan, develop, and lead projects, based around key GCO products that deliver substantially greater outcome improvement than from the product alone or deliver substantially greater financial rewards for GCO
- Design and deliver an organization-wide capability building program to build a cadre of leaders within GCO who can lead such projects and further build capabilities in colleagues
- Act as subject matter expert for assigned workstream(s)
- Lead and independently own individual workstreams with guidance from overall project manager(s)
- Generate strategic insights based on best-in-class analysis & distil outputs and recommendations which enable informed decisions of top leaders
- Acts as sparring partner within project team and develop network of subject matter experts within GCO organization

Experience/Professional Requirements:

- Degree in relevant field, or relevant business experience.
- Fluent oral and written English.
- 5-7 years of industry experience collaborating across geographical boundaries.
- Expert level change, transformation and project management methodology knowledge e.g. Lean 6 Sigma, Waterfall, Agile
- Financial Management, Project Management, Strategy Development, Breakthrough Analysis, Business Mindset, Healthcare systems thinking, Managing Change.
- Analyzing stakeholder requirements, Impact Assessment and risk management, Developing and Delivering Story Flows and Presentations for Management.
- Knowledge of current and future global business trends.
- Strategic thinking and planning.
