

QA Operations Specialist

Job ID
393582BR
Jun 20, 2024
Austria

Summary

Location: Kundl, Tyrol, Austria, Hybrid Working #LI-Hybrid More than 20 products - our pipeline of Biologics, Biosimilars, Oligonucleotides and Originator products is continuously growing and need to be established and commercialized on the markets worldwide. We are looking for an experienced QA Operations Specialist (m/f/d) to join our team in Kundl. Be part of an important QA Group releasing products with high quality and take opportunity to learn the responsibilities of a QA function.

About the Role

Major accountabilities:

Your responsibilities include, but are not limited to:

- On time batch record review of production records according to GMP and Data Integrity.
- QA oversight of production activities (Compounding / Filling of drug product).
- Routine documentation activities.
- Support exceptions investigations.
- Collaboration in continuous improvement projects.

What you'll bring to the role:

- University degree with a scientific / technological background (e.g. Chemistry, Pharmacy, Biology, Biochemistry, or equivalent).
- Fluent in German / Good (oral and written) in English.
- Good knowledge of GMP.
- Experience in pharmaceutical Quality Control or Quality Assurance departments.
- Good knowledge of MS Office applications and other standard IT applications.

Why Novartis?

Our purpose is to reimagine medicine to improve and extend people's lives and our vision is to become the most valued and trusted medicines company in the world. How can we achieve this? With our people. It is our associates that drive us each day to reach our ambitions. Be a part of this mission and join us! Learn more

here: <https://www.novartis.com/about/strategy/people-and-culture>

You'll receive:

You can find everything you need to know about our benefits and rewards in the Novartis Life Handbook. <https://www.novartis.com/careers/benefits-rewards>

In addition to a market-competitive base salary, we offer an attractive incentive program, a modern company pension scheme, childcare facilities, learning and development options as well as worldwide career opportunities within the Novartis group. In accordance with Austrian law, we are obliged to disclose the minimum salary as stated in the collective bargaining agreement. For this position the minimum salary is € 54.735,38/year (on a full time basis). In most cases, the actual salary will be higher, as we strive to maintain a competitive position in the market and consider your previous experience, qualifications and individual competencies. We are open for part-time and job sharing models and support flexible and remote working where possible.

Commitment to Diversity & Inclusion:

Novartis is committed to building an outstanding, inclusive work environment and diverse team's representative of the patients and communities we serve.

Our recruitment decisions are based on selecting the best person for the job, regardless of gender, religion, age, colour, race, sexual orientation, nationality or disability.

Adjustments for Applicants with Disabilities:

If because of a medical condition, physical disability or a neurodiverse condition you require an adjustment during the recruitment process, please reach out to disabilities.austria@novartis.com and let us know the nature of your request as well as your contact information. The support which we can provide will include advice on suitable positions as well as guidance at all stages of the application process. Austrian law provides candidates the opportunity to involve the local disability representative, Behindertenvertrauensperson (BVP), in the application process. If you would like to request this, please let us know in advance as a note on your CV.
