This role will communicate the value Novartis creates, and its impact on people, the environment, and society to financial and business development / mergers & acquisitions audiences. Set vision and align on strategic engagement efforts to drive our company's leadership narrative in financials and to position our company as the business development partner of choice. Support the Head of Finance Communications during quarterly earnings and beyond cycles and Strategy & Growth (S&G) leadership on external/internal communications.

About the Role

Your Key Responsibilities:

- Support the development and implementation of communications strategies to highlight Novartis enterprise strategy and performance to the financial community both at earnings and between reporting cycles
 - Implement communications tactics that elevate quarterly earnings/investor events, coordinating logistics, aligning messaging with Investor Relations team, engaging traditional and social media
 - Partner with Investor Relations and key teams within Finance organization
- Implement communications plans and tactics that promote/announce business development deals/strategic collaborations
- Execute on Strategy & Growth leadership appearances, video tapings, interviews, etc.; managing logistics, briefing documents and speaker preparation
- Develop and maintain strong Financial/Strategy & Growth Communications process management tools
- Manage ongoing research to develop a deep understanding of key audiences and stakeholders, including media and business development partners/prospective partners, to expertly reach target audiences and instill confidence in the company. Continuously track and analyze perceptions of Novartis by the Business Development community to understand their drivers and mitigate potential issues
- Exemplify a predictive mindset; seek multidirectional insights to understand our environments and stakeholders, and embrace iterative, measurable experimentation and action

Role Requirements

Essential Requirements:

- Bachelor's degree required

- 7+ years of experience in communications, with working knowledge of finance and business development communications
- Social media strategy, planning and execution skills
- Analytical skills with the ability to interpret data and insights to support decision-making
- Effective interpersonal and communication (both written & verbal) skills, with the ability to collaborate across teams and stakeholders, and ability to influence senior levels/teams. Adaptable and able to thrive in a fast-paced environment with evolving priorities and navigate complexity.
- Demonstrated ability to continuously track and leverage new trends in financial/business development communications
- Expertise in process management/project management/logistics, along with the demonstrated ability to manage agencies/budgets

Desirable Requirements:

- Degree subject area in Communications, Public Relations, Journalism, or related field preferred; advanced degree a plus
- Demonstrated ability to contribute to the implementation of successful financial and business development communication strategies.
- Crisis and issues management experience a plus.
