Summary

We're a dedicated team united by a drive to deliver significant value to Novartis. This is a global role in which you will participate in internal audits and advisory engagements. You will perform engagements that assess business risks and evaluate related internal controls in accordance with Novartis Internal Audit's methodology and International standards.

About the Role

Key Responsibilities

- Conduct audits and advisory engagements based on the risk assessments and schedule as outlined by the Functional Head of Internal Audit.
- With the audit team, conduct the bi-annual assessment of operational risks across the region.
- Identify and evaluate risks and controls across the range of Novartis businesses and functional areas.
- Deliver audits, including reviewing and agreeing issues with responsible management.
- Build effective relationships with staff and management on the audit in order to obtain information, discuss and agree solutions to control issues and to communicate findings.
- Perform special projects and other duties and provide input on audit practices, tools and administrative activities.
- Keep up to date with the audit methodology and the use of technology.

What you'll bring to the role:

Essential Criteria

- Bachelor Degree with a Masters preferred.
- Good experience in one or more of the following; Finance/HR/Procurement/Corporate Affairs/Communications
- Keen and demonstrable interest in Audit & Compliance
- Fluent in English with second language beneficial

Travel: 10-15% Global travel
