

Associate Director - PKS Drug Disposition, HYD

Job ID
REQ-10034036
Dec 13, 2024
India

Summary

Contribute to the BR mission of discovering innovative medicines for unmet medical needs. Manage the PKS Drug Disposition team at Hyderabad in a matrixed structure. Create a culture aligned with Novartis Values and Behaviors. Collaborate with local CRO(s) on PKS assays to support the drug discovery portfolio and acts as local manager for Clinical BA teams. Contribute to the Integrated Drug Discovery efforts and Clinical Pharmacology activities in India. Liaise with local and global stakeholders.

About the Role

Major Accountabilities

1. Manage the PKS DD Unit team at Hyderabad, India in collaboration with line function managers (matrix leadership). Foster and role model a culture of inspired, curious and unbossed leadership.
2. Participates in PKS sub-team to define PKS strategy for compound progression and development.
3. Manages study timelines, objectives and budgets, ensures accuracy of project progress in company tracking tools.
4. Accountable for the timely and effective communication of data, strategy, results, impact to the project teams.
5. Ensure alignment of plans and strategies with sub-teams, project teams, manager and leadership team.
6. Contribute to the analysis and interpretation of the PK/TK, PKPD data during discovery, early and full development and present results and implications to the program.
7. Proactively identifies potential project hurdles, provides solutions and implements contingency plans.
8. Independently authors and prepares key pre-clinical/clinical/regulatory documents including, but not limited to: clinical study protocols, clinical study reports, modelling reports, investigator brochures, IND / IMPDs and NDAs within agreed timelines, and meeting all regulatory requirements
9. Leads cross-departmental teams, department-wide initiatives and work streams.
10. Provide PK Sciences expertise on due diligence and prepare appropriate documentation.
11. Publishes internally and externally as main contributor to enhance Novartis and PK Sciences visibility.

12. Mentors and trains other PK Science Associates.
13. Completes all required organizational trainings and requirements according to corporate timelines.
14. Adhere in strict accord to the appropriate SOP and GxP guidelines.
15. Act as External Relationship representative at Business level (ESP Oversight/Governance at business level)
16. Act as point of contact for PKS colleagues to initiate and support reporting of clinical deviations within PKS.
