

TA Communications & Patient Advocacy Manager

Job ID

REQ-10045632

May 14, 2025

Netherlands

Summary

We're a team of dedicated and smart people united by a drive to achieve together. You will lead the execution of the communications and patient advocacy strategy for some assets in one of the four International therapeutic areas, ensuring launch excellence (pre-launch, launch and in-market brands) through above brand and priority brand activities and ensuring the performance of the assigned products communications and patient advocacy activities at country level.

You will have a focus on shaping the future environment and using real time data to inform strategies and tactics, model trends and anticipate what's next to support a predictive mindset. All this in close connections with region and global assets, guaranteeing the exchange of information and implementation of global strategy.

About the Role

Key Responsibilities:

- Drive and implement International TA/product related communication and patient advocacy strategies, in line with country priorities, and focused on key audiences of media, patient communities and influencers.
- Act as trusted strategic business partner to TA Head and relevant internal cross-functional stakeholders. Provide insights and counsel on the external environment including latest communications channels / trends / stakeholder insights.
- Accountable for securing budget and budget management of respective TA comms and patient advocacy activities, including sound management of selected agency or vendor partners, and relevant governance for patient advocacy funding and funding reporting.
- For priority therapeutic areas, establish strategic partnerships with relevant stakeholders, ensure oversight and implementation of a targeted media strategy, drive and implement the PESO and influencer engagement strategy, partner with Public Affairs to ensure timely shaping of the local policy environment.
- Manage TA/product brand issues and crisis management for respective TA.
- Implement internal communications for key brand milestones and launch activities in coordination with Corp Comms.
- Embrace the Corporate Affairs and Novartis culture to drive external and internal impact consistently through a curious, inspired, unbossed mindset. Ensure to operate with iterative, measurable action, enabled by data, and always anchored in integrity.
- Promote CA cross-functional and geographical collaboration and best practice sharing across countries

What you'll bring to the role:

Essential Criteria

- Diversified experience of communications; Product PR communications, media relations, social media strategy.
- Experience of Patient Advocacy & Patient acumen.
- Excellent written and verbal communication skills.
- Fluency in English and Dutch is imperative.

Desirable Criteria:

- Previous experience in Pharma industry.
- Policy communications experience working in a matrixed organization
- Creative skills i.e. graphic design, video production etc
