Summary

As the Medical Lead for MS you lead and develop medical product strategies and activities in close collaboration with the medical and cross-functional teams, be the scientific expert of assigned products, contributing to clinical strategy, collaborating to develop impactful medical education plans, evidence generation plans and implementation science plans.

About the Role

Location:

This is a London office based role with hybrid working which means 12 days per month working in the office.

Key responsibilities:

- Understands and follows trends in disease area to maintain a scientific and clinical leadership position
- Routinely assesses gaps in practice vs guideline-directed therapy and delivers a strong medical plan including evidence generation plans, publications, medical education to deliver on the Target Patient/Population Outcomes (TPO)
- Cultivates and maintains relationships with top clinicians in collaboration with the field teams
- Co-creates and co-leads the medical/overall strategy
- Creates implementation science plans to shape health policy and practice guidelines
- Works collaboratively to establish educational needs and delivers strategic educational plans
- Builds Health Care System's relationships and collaboration, partnering and building trust/commitment
- Role model for our culture, values & behaviours, consistently demonstrating the highest ethics and integrity based standards

Requirements:

- Medically qualified and GMC registered Physician or Pharmacist or PhD, Life Science Bachelor's Degree or equivalent
- Significant experience in the Medical Affairs in the Pharmaceutical industry
- Excellent communication skills with broad range of stakeholders
- Experience and knowledge of UK Healthcare System
- Deep understanding of evidence generation and educational strategies
- Expertise in the drug development and approval process
- Commercial acumen
- Working knowledge of the ABPI code
- Ability to lead without authority and courage to challenge the status quo

Commitment to Diversity & Inclusion:

We are committed to building an outstanding, inclusive work environment and diverse teams representative of the patients and communities we serve.
