

# Senior International Program Regulatory Manager (Sr. IPRM)

Job ID  
REQ-10056343  
Jun 30, 2025  
India

## Summary

The senior International Program Regulatory Manager (Sr. IPRM) works under limited supervision of the International Program Regulatory Director to support the design and execution of optimal registration strategies and plans for the assigned portfolio in the assigned International countries.

By partnering efficiently with International Program Regulatory Directors, global DU and International (INT) regulatory stakeholders, the Sr. IPRM supports optimal pipeline planning accounting for regional priorities and efficient use of regulatory paths for acceleration in assigned countries. They support the timely execution of registration plans by the relevant line functions and the resolution of high priority topics.

The Sr. IPRM uses global, regional and country sources to maintain the relevant databases on country requirements, pipeline information and registration plans across all INT markets and to disseminate relevant information to INT stakeholders. Sr. IPRM supports and implements initiatives to enhance efficiency in ways of working and functional excellence.

The Sr. IPRM is a member of the INT RA subteam and may act as deputy of the IPRD on global RA subteams. The Sr. IPRM may lead or contribute to regional cross-functional initiatives and committees.

## About the Role

### Key Responsibilities

- Drives the execution of registration plans as defined in the INT RA subteam and in partnership with the countries, regional roles and global LFs as applicable.
- Drives the design, up to date maintenance and execution of registration plans for all INT countries in alignment with RA INT and RA DU, including procurement of ancillary document for submission dossier, review of and contribution to responses to Health Authority (HA) questions, follow up on key milestone activities by relevant RA and LF stakeholders. Maintain up to date contact CO contact lists for programs and COs in scope.
- Supports the IPRD in partnering with DU RA roles to obtain, digest and communicate efficiently pipeline information to relevant stakeholders.
- Drives updates to the country requirements and registration plans are performed timely and the necessary quality. Sr. IPRM supports and implements initiatives to enhance efficiency in ways of working and functional excellence.
- Supports the IPRD in the design and execution of plans for Emerging Markets Brands and may interface with the Emerging Markets Brands Center of excellence for assigned projects. Supports the IPRD in

designing and executing registration plans for products that target diseases which are predominantly prevalent in INT countries.

- Partners with GRSS&C LCM group on geographic expansion plans and execution for INT countries. Drives the dissemination of information to and education of global roles on INT country/regional requirements.
- Support the execution of or act as a region representative in functional or cross-functional initiatives, particularly those with potential impacts on INT RA resources or FTE allocations. May act as deputy of IPRD on assigned programs.
- Meets objectives as defined in registration plans for the countries and portfolio in scope. Proof of maintenance and communication of country requirements and registration plans for INT countries.
