South Korea

Summary

- Local Brand Managers OR global / regional / local sub-function specialists within a specific marketing sub-function.
- Define product strategy in agreement with local management and global marketing department, and implement supporting tactical plans/projects.

About the Role

Major accountabilities:

- Prepares content of Integrated Brand Teams and Launch Teams.
- Responsible for execution, monitoring and analysis of the agreed tactical plans in order to ensure the growth of the brand(s)
- Lead the development of promotional activities in line with internal SOPs and Code of Conduct guidelines.
- Monitor and control brand budgets, forecasts and expenses and assess the marketing mix of the product to evaluate cost effectiveness and results.
- Identifies area market insights and opportunity via customer interactions
- Executes central marketing activities as well as regional initiated marketing activities
- Monitors product performance and external environment using appropriate tools and taking corrective action if required to meet business objectives
- Collaborate with Marketing and Medical teams to maximize activities:
- Scout centers, KOLs and OLs by disease within assigned territory
- Identify specific needs for each segment of patients and the implications of the disease for each of them within assigned territory

Minimum Requirements:

Work Experience:

- Extensive (> 5 years) of operational experience with the emphasis on product management, ideally across a variety of different therapy areas
- Proven track record of working cross-functionally (medical, finance, sales, health economics, marketing

access)

- Business proficiency in English
